

SBA REGION II REGIONAL ADMINISTRATOR TO TOUR SBA 100 BUSINESS

*DATROSE, a national Business Process Solutions Company is adding jobs and
helping to rebuild the economy*

ROCHESTER – On Tuesday, U.S. Small Business Administration Region II Regional Administrator Jorge Silva-Puras will tour DATROSE, a national business process solutions company. Silva-Puras and Cheryl Keck, President and Chief Operating Officer of DATROSE, will highlight the important role that small businesses play in creating jobs and keeping those jobs onshore, in the U.S. SBA is helping companies like DATROSE, to compete on a global level, as well as generate jobs in Western New York and nationwide.

Innovative small businesses are rebuilding the economy, putting more people back to work and putting more money in the pockets of Americans. DATROSE, through the support of the SBA has expanded its service offerings over its 35 year history to include four operating divisions: Talent Solutions, Contact Center Services, Document Management, and Accounts Payable Automation. The company started with 6 employees in a small office in Webster, NY and now employees more than 600 people including many of the first employees hired back in 1976. DATROSE has employees working in over 20 states across the United States and was recently selected as one of SBA's 100.

SBA 100 features one hundred businesses that have created at least 100 jobs since receiving SBA assistance.
